

EARLY LEARNING
Quality Initiative

The final community book study from ELQI for 2023 is quickly approaching!

Join us for 5 weeks starting on Monday, October 30th (then each consecutive Monday, ending on November 27) from 6:30-8:00 pm to discuss “Love Builds Brains” by Dr. Jean Clinton. You will be able to join in-person or virtually.

The ELQI Library does have copies of the book to borrow. Once you have registered, send me an email (rkellet@clth.ca) to request a copy to borrow.

Scan the QR code to register – or find the link in this blog post:
