

## Hannah Gray

Hello, my name is Hannah Gray. I am a Registered Early Childhood Educator, and Seneca College student studying Resource Consultation in Early Childhood Education. I am so excited to have the opportunity to work in collaboration with Community Living Trent Highlands. I look forward to collaborating with the children's educators, and families on ways to support the children's growing capabilities and interests. The duration of my time working here begins every Friday, on September 15, 2023 and finishes on December 15th, 2023.
