

“Happy Early Childhood Educator and Childcare Worker Appreciation Day

**"Every day, you make a difference..."**

---

“As educators... you shape the future, one smile at a time.”

---

A photograph of two young girls playing with colorful clay on a table. The girl on the left has long dark hair and is wearing a white shirt with blue overalls. The girl on the right has curly hair and is wearing a yellow shirt with a blue denim vest. They are both focused on their play. The background is blurred.

“You inspire curiosity...”

“You turn curiosity into discovery and play into learning.”

“You create safe spaces.”

“You see me for who I am.”

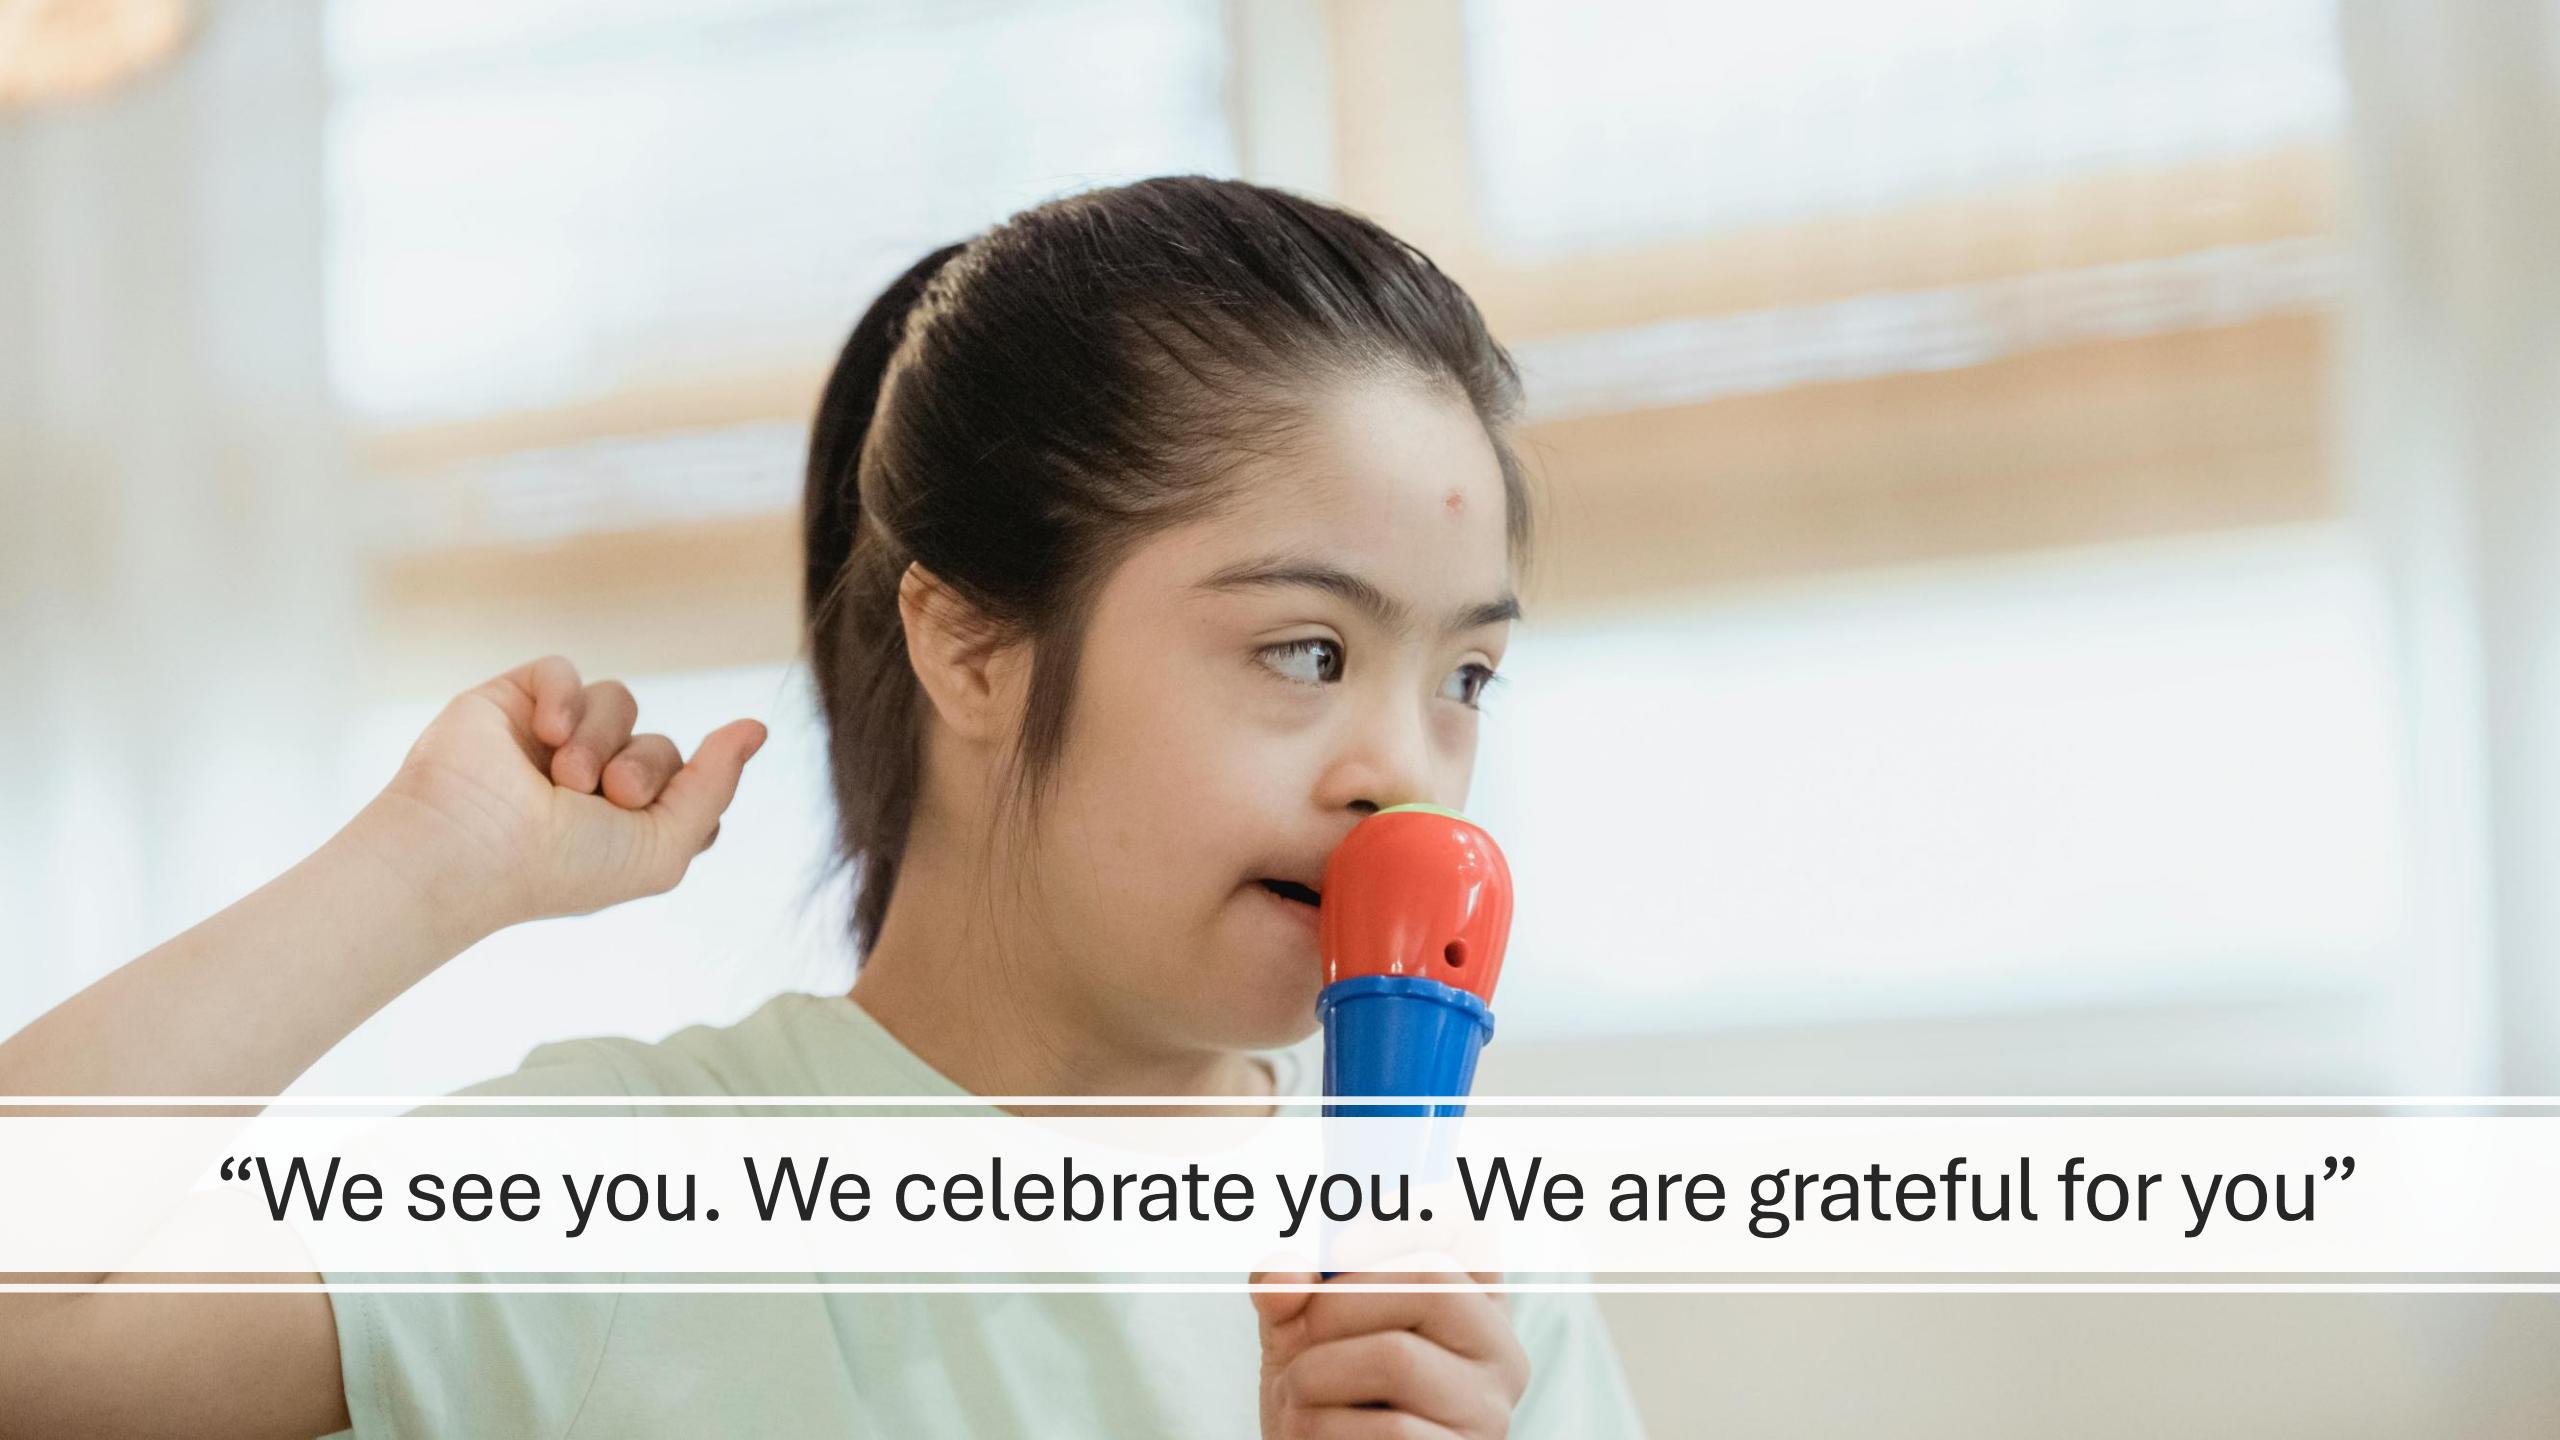

**“Every small act of care shapes the world for children.”**

“Every moment you spend with children leaves a lasting impression.”

“Your work matters more than words can express.”

“We see you. We celebrate you. We are grateful for you”

“To every early childhood educator and childcare worker: thank you for helping children to grow, explore and shine”
